REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 7-9, 13-17, and 19 are allowed over the references of record because none of these references disclosed or can be combined to yield the claimed invention such as an emitter switching configuration, comprising at least one substrate in which are formed second wells of first conductivity type, adjacent to first wells of second conductivity type and in contact with said first wells and with a second buried layer to define a Zener diode parallel to a junction defined by a first buried layer and said second buried layer with an anode of the Zener diode coupled to a control terminal of a bipolar transistor and a cathode coupled to a common conduction terminal where the emitter of the bipolar transistor is connected to the drain of a MOSFET, as recited in claims 7 and 13.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
